

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number **ST00589LA**

This certificate issued to:

Hawker Beechcraft Services, Inc.
1980 Airport Road
Wichita, KS 67209

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. * (For details see T.C. Data Sheet A3EU.)*

Original Product - Type Certificate Number: A3EU
Make: British Aerospace
Model: BAe 125-1000A

Description of Type Design Change: Requirements for the installation of AlliedSignal Enhanced Ground Proximity Warning System (EGPWS) are contained in the Raytheon Aircraft Services Master Data List for AlliedSignal Enhanced Ground Proximity Warning System Installation on Hawker 1000A Aircraft, Report No. RAY-R3-002, Revision "A", dated April 3, 1998, or later FAA approved revision. To determine which configuration(s) or the EGPWS have been approved, refer to the appropriate sections of the FAA Approved Master Data List. Raytheon Airplane Flight Manual Supplement listed in the approved Master Document List is required as part of the installation.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. Refer to the appropriate sections in the FAA Approved Master Data List for any other limitations.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 18, 1997

Date reissued: April 1, 2005; March 26, 2007

Date of issuance: April 13, 1998

Date amended:

By direction of the Administrator
