Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SH261WE

This Certificate issued to US Department of Agriculture – Forest Service
Fire and Aviation
3833 S. Development Avenue
Boise, Idaho 83705

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the Federal Aviation Regulations*

Original Product Type Certificate Number :

Make : * See Approved Model List SH261WE

Model :

Description of Type Design Change: Installation of an external load attachment mechanism in accordance with FAA Approved USDA – Forest Service Master Drawing List and Rotorcraft Flight Manual Supplements, per Approved Model List SH261WE, and all subsequent FAA approved revisions to these documents.

Limitations and Conditions: The installation should not be incorporated in any rotorcraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the rotorcraft. The approval of this modification applies to the above noted helicopter models only. A copy of this STC must be included in the permanent records of the modified rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
