

# Supplemental Type Certificate

Number SR09011RC

This certificate issued to Aero-Seats and Systems, Inc.  
340 Thomas Place  
Everman, TX 76140

Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation, Regulations.

Original Product – Type Certificate Number: H1NE                      Make: Sikorsky  
Model: S-76A, B, C

**Description of Type Design Change:**

Manufacture of an emergency exit window in passenger door in accordance with Aero-Seats and Systems, Inc., master drawing list ASI-7611 Revision A dated May 8, 1995, and installed in accordance with Service Instruction ASI-7611-SI Revision A dated May 9, 1995, or later FAA approved revision.

**Limitations and Conditions:**

This modification is FAA approved only for Sikorsky Helicopter Models S-76A, B, and C equipped with all passenger seats facing forward. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

Date of Application: March 06, 1995                      Date Reissued: March 31, 2015  
Date of Issuance: May 09, 1995                      Date Amended:

*By direction of the Administrator*

---

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
