Supplemental Type Certificate

Number ST00879SE

This certificate, issued to: Heath Tecna, Inc.
3225 Woburn Street
Bellingham, WA 98226

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A6WE
Make: McDonnell Douglas
Model: MD-88 Series

Description of the Type Design Change: Installation of interior Kits H4544-3 and -5 in accordance with Heath Tecna, Inc. Drawing List HPD-DL-75, Revision D, dated August 31, 2004, or later Federal Aviation Administration (FAA) approved revisions.

Limitations and Conditions: Approval of this change in type design applies to the aircraft models listed above. See continuation sheets 3 and 3 for list of the limitations and differences in certification basis. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Heath Tecna, Inc. Drawing List HPD-DL-75, Revision D must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

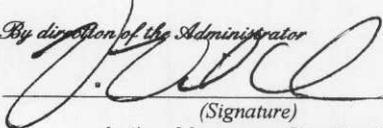

Date of application: November 3, 2000

Date reissued:

Date of issuance: March 6, 2001

Date amended: September 2, 2004

By direction of the Administrator

Supplemental Type Certificate
(Continuation Sheet)
Number ST00879SE

Issued to: Heath Tecna, Inc.

Date of Issuance: March 6, 2001

Date Amended: September 2, 2004

Limitations and Conditions: (cont'd)

Note: This continuation sheet is applicable to the STC as issued on September 2, 2004.

Limitations and Conditions (cont.):

- Aircraft modified by this STC, which have removed the over-aisle life raft stowage compartments, continue to meet Ditching Provisions 25.801, including 25.807(d), but excluding 25.1411 and 25.1415. When the operating rules require life rafts, compliance with 25.1411 and 25.1415 must be demonstrated. Compliance with life raft stowage will require additional FAA approval.

Certification Basis:

The certification basis for this modification is in accordance with Type Certificate Data Sheet, A1NM, with the following exceptions:

Regulations at a later amendment than specified in A6WE
