

Supplemental Type Certificate

Number ST00412LA

This Certificate issued to Aviation Communication & Surveillance Systems
19810 North 7th Avenue
Phoenix, Arizona 85027-4400

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part FAR 25 of the Federal Aviation Regulations. *(for Certification basis see T. C. Data Sheet A1NM)*

Original Product Type Certificate Number: A1NM

Make: Boeing Aircraft Company

Model: B767-300 Series

Description of Type Design Change: Installation of Honeywell Traffic Alert and Collision Avoidance System (TCASII) in accordance with FAA approved Air New Zealand Master Drawing List TX30030 Revision "A", dated June 26, 1996, or later FAA Approved Revision.

For appropriate FAA approved Airplane Flight Manual Supplement refer to associated section of the Air New Zealand Master Drawing List Document.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 19, 1995

Date reissued: August 16, 2005

Date of issuance: July 8, 1997

Date amended:

By direction of the Administrator
