Supplemental Type Certificate

Number SA2583WE

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.
(See Type Certificate Data Sheet No. A3WE.)

Original Product Type Certificate Number: A3WE

Make: Boeing

Model: 727-22C

Description of Type Design Change: Installation of Aeroquip cargo net P/N 3950020 with any TSO-C90 approved NAS3610-2A1, -2A3, or -2A4 cargo pallet in accordance with FAA Approved United Air Lines Drawing No. 3F14080, or later FAA approved revisions.

Limitations and Conditions: The approval of this change in the type design applies basically to Boeing 727-22C only. This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 14, 1972

Date reissued: November 30, 2011

Date of issuance: August 10, 1972

Date amended:

By direction of the Administrator
