Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST10469SC

This Certificate issued to Aero Compliance Group, Inc.
3209 Louis Drive
Plano, TX 75023

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A20WE

Make : Boeing

Model : 747-400

Description of Type Design Change: Installation of interior components in accordance with Aero Compliance Group, Inc. Drawing List ACG-DL0100, Revision D, dated October 9, 2005, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the aircraft model listed above. See continuation sheet for list of the limitations and differences in certification basis. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(See continuation sheet)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : February 21, 2005

Date reissued :

Date of issuance October 26, 2005

Date amended :

By direction of the Administrator
