Department of Transportation -- Federal Aviation Administration

Supplemental Type Certificate

Number SA02379AT

This certificate issued to Hawker Beechcraft Services, Inc.
3992 Aviation Circle
Atlanta, GA 30336

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : 3A20
Make : Beech Aircraft
Model : C90, C90A, C90GT, C90GTi

Description of Type Design Change:

Installation of a cockpit speaker & aural warning muting system in accordance with Hawker Beechcraft Services Corporation, Master Data List Number MDL-RAF01102, Revision 1.0, dated 05/4/09, or later FAA Approved Revision.

Limitations and Conditions:

FAA approved Airplane Flight Manual Supplements (AFMS), Hawker Beechcraft Services Supplement Number FMS-RAF01102, Revision 1.0, dated June 1, 2009 and Hawker Beechcraft Services Supplement Number HBS1108RP006, Revision IR, dated June 1, 2009. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse affect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 2, 2001

Date reissued : June 4, 2007

Date of issuance : August 22, 2001

Date amended : June 1, 2009

By direction of the Administrator
