

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA00111WI

This certificate, issued to Central Airlines, Inc.
411 Lou Holland Drive
Kansas City, MO 64116

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations: effective May 15, 1956, plus amendments listed in the Type Certificate Data Sheet.

Original Product — Type Certificate Number: 6A1
Make: Twin Commander
Model: 500B, 500U, 500S, 690, 690A, 690B

Description of Type Design Change:
New main landing gear scissor fittings per Central Airlines Drawing List Number CAES11059 stamped "FAA Approved" with a date of October 28, 1993, or later.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of those airplanes.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 19, 1993

Date reissued:

Date of issuance: October 28, 1993

Date amended:

By direction of the Administrator
