

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA3882NM

This certificate issued to Volvo Aero Services, LP
645 Park of Commerce Way
Boca Raton, FL 33487

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product--Type Certificate Number: A20EA
Make: DeHavilland
Model: DHC-7 -102

Description of Type Design Change: Installation
of baggage storage bin in accordance with Continental Express (d/b/a Rocky Mountain Airways) Drawing List No. 72520-3-B, Revision 1, dated January 26, 1989, or later FAA approved revision.

Limitations and Conditions:

This installation is limited to DHC-7-102 aircraft with 32 inch pitch seating arrangement per deHavilland PSM-1-71-8 Weight and Balance Manual. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 16, 1987

Date reissued: January 21, 1997, July 15, 2005

Date of issuance: December 18, 1987

Date amended: February 12, 1989

By direction of the Administrator
