

Supplemental Type Certificate

Number SA3494NM

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A6WE

Make: McDonnell Douglas Corporation

Model: DC-9 (see C & D Drawing List 3011000 for applicable model)

Description of Type Design Change: Installation of Auxiliary Galley in accordance with FAA approved C & D Plastics Inc. Drawing List 3011000, Revision "M", dated October 26, 1987, or later FAA approved revision.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 9, 1987

Date reissued: Nov. 12, 1993; Dec. 29, 2005

Date of issuance: November 12, 1987

Date amended:

By direction of the Administrator
