Supplemental Type Certificate

Project Number ST7709SC-T (WKV)

Number SA10276SC

This Certificate issued to CenTex Aerospace, Inc.
7805 Karl May Drive
Waco, TX 76708-0500

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number : 3A16
Make : Beech
Model : D95A

Description of Type Design Change:

Installation of winglets in accordance with Coleman Enterprises, Inc. drawing number 66000, dated October 29, 1984, sheet 5 of 5. Install part numbers 66000-50 and 66000-51, in accordance with Coleman Enterprises, Inc. Installation Instructions, dated April 7, 1997. The Airplane Flight Manual Supplement (AFMS) Centex Aerospace, Inc. document number AFMS 999012, Revision IR, dated October 21, 2004 is required.

Limitations and Conditions:

Descriptive Data pertaining to this design change are considered inadequate for duplication in other products. This approval is limited to only the installation made on Travel Air D95A, serial number TD-631. This STC does not permit the manufacturing of parts for multiple installations.

* The certification basis for this STC is the same as that identified on the Type Certificate Data Sheet 3A16 plus the retroactive requirements presented in Part 36 of the Federal Aviation Regulations amendment level 36-25.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : December 11, 2003

Date reissued :

Date of issuance : November 03, 2004

Date amended :
