Wichita, KS 67209

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A24CE

Make: Raytheon Aircraft Company

Model: 1900D

Description of Type Design Change: Installation of cargo nets and the required structural modifications to support the nets to allow a cargo configuration of the interior floor plan once all passenger seats are removed in accordance with: (1) drawings and data called out on Raytheon Aircraft Services Top Drawing No. RAS970005DL stamped "FAA Approved" dated March 14, 2000; and (2) FAA Approved Airplane Flight Manual Supplement (AFMS), Raytheon Aircraft Services Document No. RAS970005(3) FMS dated March 14, 2000; or later FAA approved revisions of (1) or (2).

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of these other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
