

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST00130AT

This certificate issued to C.C.2.B., a Delaware limited liability company
C/O Timothy H. Hopkins, Esq., Groom & Cave, LLP
1570 The Alameda, Suite 100
San Jose, CA 95216

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 & 36 of the Federal Aviation Regulations.

Original Product--Type Certificate Number: A20WE
Make: Boeing
Model: 747SP

Description of Type Design Change:

Installation of a Multi-unit L'Horellier Smoke Detector System in accordance with Page Avjet Master Drawing List No. MDL-93-04, No Revision, dated 1/29/93, or later FAA approved revisions.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. FAA Approved Airplane Flight Manual Supplement, dated 4/29/93, is a required part of this STC. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 20, 1992

Date reissued: August 08, 2006

Date of issuance: April 29, 1993

Date amended:

By direction of the Administrator
