

Supplemental Type Certificate

Number SH7054NM

This Certificate issued to Heli-Support, Inc.
120 N.E. Frontage Road
Ft. Collins, Colorado 80524

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product Type Certificate Number : **See Attached FAA Approved Model List

Make : *(AML) No. SH7054NM for list of approved

Model : *helicopter models and approved airworthiness regulations

Description of Type Design Change: Installation of a skid toe mounted convex mirror for sling load operations in accordance with Heli-Support, Inc. installation instructions as listed on AML No. SH7054NM or later FAA approved revision.

Limitations and Conditions: The approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and FAA approved model list (AML) No. SH7054NM, dated January 26, 1994, must be maintained in the permanent records of a helicopter modified in accordance with this STC. (See Continuation page)

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 7, 1991

Date reissued: August 6, 2004; October 31, 2006

Date of issuance : January 26, 1994

Date amended :

By direction of the Administrator
