# Supplemental Type Certificate

(Continuation Sheet)

*Number* SA1147EA

Date of Issuance: May 08, 1979  
Reissuance Date: January 31, 2000

*Limitations and Conditions* (Continued):

The approval of this change in type design applies to the above noted series aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant change in weight distribution such as an increase in the fixed disposable weight of the fuselage.
