

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA10830SC

This Certificate issued to Hawker Beechcraft Services
10440 John Cape Rd.
San Antonio, TX 78216

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A00010WI
Make: Hawker Beechcraft Corporation
Model: 390

Description of Type Design Change: Replacement of existing RG380E/44 42AH battery with RG380E/60K 48AH battery in accordance with Master Data List 250801-246-L01, Revision A, dated May 16, 2008, or later FAA approved revision.

Limitations and Conditions: The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Certification Basis: The certification basis for this modification is per Type Certificate Data Sheet A00010WI.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 05, 2008

Date reissued: June 25, 2008

Date of issuance: June 16, 2008

Date amended:

By direction of the Administrator
