

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST10204SC

This Certificate issued to Hawker Beechcraft Services, Inc.
10440 John Cape Road
San Antonio, TX 78216

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A16SW
Make : Raytheon Aircraft Co.
Model : 400; MU-300-10

Description of Type Design Change:

Installation of a Collins TCAS 4000 Traffic Alert and Collision Avoidance System (TCAS II) and dual Collins TDR 94D Mode S Transponders in accordance with Master Drawing List no. RAS25-5-000001, Rev. E, dated October 23, 2003, or later FAA approved revision. FAA approved Airplane Flight Manual Supplement RAS25-5-000011, Rev. I.R, dated November 13, 2003, or later FAA approved revision is required.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 12, 2003

Date reissued : April 24, 2007

Date of issuance : November 13, 2003

Date amended :

By direction of the Administrator
