Supplemental Type Certificate

Number **ST01236SE**

This certificate, issued to

**Flight Structures, Inc.
6330 31st Avenue NE
Marysville, WA 98271**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A2NM
Make: Boeing
Model: 757-200 Series

Description of the Type Design Change: Installation of Galley 1B on Boeing 757-200 series airplanes in accordance with Flight Structures, Inc. Master Drawing List (MDL) A2FS223-D01, Revision A, dated, May 13, 2003, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Flight Structures, Inc. MDL A2FS223-D01, must be maintained as part of the permanent records for the modified aircraft. This modification, as defined in master drawing list A2FS223-D01, must be installed concurrently with the emergency equipment installation defined in Britannia Airways Limited design office instructions MOD/757/1199, and safety equipment layout drawing 757-1281, Revision 5.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
