Original Product Type Certificate Number: A21EA

Make: Bombardier, Inc.

Model: CL-600-2D24 (Regional Jet Series 900)

Description of Type Design Change: C&D Zodiac, Inc. Interior Installations and Modifications per C&D Zodiac, Inc., Index List No. G371, Revision E, dated August 28, 2014, or later FAA approved revisions.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. A copy of this STC must be included in the permanent record of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder must give the other person written evidence of that permission.

This STC approves provisions for the installation of equipment into stowage units. The FAA has not certified the equipment for which these provisions are intended. You must get additional FAA approval to install this equipment. The FAA must evaluate the installation to ensure it complies with the applicable airworthiness standards.
