

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number **SR01185SE**

This Certificate issued to LifePort, Inc.
1610 Heritage Street
Woodland, Washington 98674

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product Type Certificate Number: H9EU
Make: Eurocopter France
Model: EC130 B4

Description of Type Design Change: Installation of an Emergency Medical System (EMS) in accordance with FAA Approved LifePort, Inc. Master Drawing List 530-11300, Revision M, dated February 5, 2003, or later FAA approved revision. FAA Approved Rotorcraft Flight Manual Supplement No. EGR-729-11, dated February 28, 2003, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: This approval should not be incorporated in any rotorcraft unless it is determined that the relationship between this change and any previously approved configuration will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this STC must be included in the permanent records of the modified rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Installation of aft right-hand cabin door hinge modification kit, Eurocopter P/N 130-A73-0089-02, is required prior to installation of this EMS.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 21, 2002

Date reissued:

Date of issuance: February 28, 2003

Date amended: December 1, 2005

By direction of the Administrator
