

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number **ST00933LA**

This Certificate issued to Flight Environments, Inc.
1625 Commerce Way
Paso Robles, California 93446

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet and Sheet 3 of this STC.*

Original Product Type Certificate Number: A16WE

Make: The Boeing Company

Model: See Attached Approved Model List
No. ST00933LA

Description of Type Design Change: Installation of the thermal acoustic insulation kit in accordance with FAA approved model list Number ST00933LA on page 3 of this STC.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Note: AML line items with an approval date containing an "***" this limitation applies: This modification may not be installed after June 7, 2010 unless (1) previously approved Electrical Wiring Interconnection System (EWIS) Instructions for Continued Airworthiness (ICA) have been evaluated and determined to be adequate for this installation by the FAA, or (2) revised EWIS ICA have been approved by the Los Angeles Aircraft Certification Office. (Refer to § 26.11).

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 2, 1999

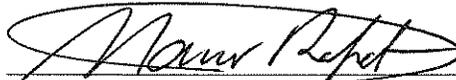

Date reissued:

Date of issuance: January 31, 2000

Date amended: May 1, 2001, February 20, 2004,
September 9, 2004, September 30, 2004, August 31,
