Supplemental Type Certificate

Number SA374CE

This certificate issued to
BF Goodrich Aerospace
Lighting Systems Division
3445 South 5th Street
Phoenix, AZ 85040

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.

Original Product--Type Certificate Number: 2A15
Make: Lockheed
Model: 1329-23A, 1329-23D, 1329-23E

Description of Type Design Change: Installation of Hoskins Twiligher Mk III Supplemental Lighting System in accordance with FAA sealed Hoskins Top Drawing No. 10-0031.

Limitations and Conditions: The approval of this change in type design applies basically to the these models only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in fixed disposable weight in the fuselage.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
