(Title)

United States of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate
(Continuation Sheet)

Number SA483AL

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect on the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.

Diameter limits 75” to 71”

Placard required under oil filler door, “USE ONLY DETERGENT OILS THAT MEET CONTINENTAL SPEC. MHS-24.”

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
