Supplemental Type Certificate

IMPORT

Number **ST03109NY**

This certificate issued to Tenencia, Ltd.
Dakota House, Coventry Airport
CV8 3AZ Coventry
United Kingdom

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: **A28NM**
Make: **Airbus**
Model: **A319 Series, A320 Series, A321 Series**

Description of Type Design Change:

1. Installation of provisions for the Dual Goodrich Class 2 Electronic Flight Bag (EFB) Smart Display System in accordance with Tenencia, Ltd modification, document number TEN 674, issue 11, dated June 6, 2012.
2. The following Tenencia, Ltd documents are required with this installation:
 - a) The aircraft must be maintained in accordance with ECS Instructions for Continued Airworthiness, document number ECS-209607, revision D, dated June 1, 2012.
 - b) EASA approved Airplane Flight Manual Supplement, document number TEN/A320/002, issue 3, is required with this installation.

Limitations and Conditions:

1. The installer must determine whether this design change is compatible with previously approved modifications.
2. If the holder agrees to permit another person to use the certificate to alter the product, the holder must give the other person written evidence of that permission.

(See Continuation Sheet 2)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 5, 2011

Date reissued:

Date of issuance: June 18, 2012

Date amended:

By direction of the Administrator
