Number ST02057LA

This Certificate issued to **PATS Aircraft, LLC**
21652 Nanticoke Avenue
Georgetown, DE 19947

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part *25 of the Federal Aviation Regulations.*

*Certification basis set forth in Type Certificate Data Sheet.

Original Product Type Certificate Number A16WE

Make : Boeing

Model : 737-700 Series

Description of Type Design Change: Installation electronic equipment rack in the aft bulk cargo compartment in accordance with Hollingsead International Master Data List 2878-01, Revision A, dated June 7, 2007, or later FAA approved revisions.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will not introduce any adverse effect upon the airworthiness of that aircraft. A copy of this STC must be included in the permanent record of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : July 17, 2006

Date reissued June 4, 2009

Date of issuance : July 6, 2007

Date amended :

By direction of the Administrator
