Supplemental Type Certificate

Number SA5134NM

This certificate, issued to Flight Structures, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certification Data Sheet A1NM for complete Certification basis).

Original Product—Type Certificate Number: A1NM
Make: Boeing
Model: 767-223

Description of the Type Design Change:

Interior arrangement that includes a new galley and a video entertainment system in accordance with Flight Structures, Inc. Master Drawing List 90FS062-D01, Revision L, dated January 26, 1994, or later FAA-approved revisions.

Limitations and Conditions:

Approval of this change in type design applies basically to the above model aircraft only. This modification requires a change to the weight and balance manual. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Flight Structures, Inc. Master Drawing List 90FS062-D01 must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 31, 1990
