

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST10375SC

This Certificate issued to West Star Aviation Inc.
796 Heritage Way
Grand Junction, CO 81506

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A21EA
Make : Bombardier Aerospace Inc.
Model : CL-600-2A12

Description of Type Design Change:

Installation of a Honeywell Mark VII Enhanced Ground Proximity Warning System (EGPWS) in accordance with McKinney Aerospace Master Document List MD-601-3831-01, Rev. C, dated January 16, 2005, or later FAA approved revision. Airplane Flight Manual Supplement FM-601-3831-01, revision IR, dated January 19, 2005, or later approved FAA revision is required.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

Certification Basis:

The Certification Basis for this installation is per Type Certificate Data Sheet A21EA plus 25.981 Amdt. 102.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : October 28, 2004

Date reissued : October 23, 2006

Date of issuance : January 24, 2005

Date amended :

By direction of the Administrator
