Supplemental Type Certificate

Number ST02528LA

This Certificate issued to Thales Avionics
58 Discovery
Irvine, CA 92618-3105

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part *25 of the Federal Aviation Regulations. (*Certification basis is set forth in Type Certificate Data Sheet and page 3)*

Original Product Type Certificate Number: * See Attached FAA Approved Model List (AML)

Make: No ST02528LA for list of approved aircraft

Model: Models and applicable airworthiness regulations

Description of Type Design Change: Installation of Data Transfer Device (DTD) into the existing Cabin Medial Loader (CML) in accordance with Thales Avionics "Approved Model List" identified in FAA approved AML No. ST02528LA, dated January 8, 2015, or later FAA approved revision. No AFM is required for this STC.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 7, 2014

Date reissued:

Date of issuance: January 8, 2015

Date amended:

By direction of the Administrator

Number ST02528LA

Certification Basis

Based on 14 CFR §§ 21.115 and 21.101, and FAA order 8110.48, the type certification basis for the applicable aircrafts models are listed in the FAA approved AML No. ST02528LA for parts changed or affected by the change. Based on 14 CFR §§ 21.101(g), applicable provisions of 14 CFR part 26 are included in the certification basis. For any future part 26 amendments, the holder of this STC must demonstrate compliance with the applicable sections. As of the issuance date of this STC, compliance has been found for the following regulations 14 CFR §§ 26.11, (Amdt. No. 26-0).

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.
