

Department of Transportation — Federal Aviation Administration Certificate
Supplemental Type Certificate **SURRENDERED**
on 6-26-2009

Number SA2591AWE

This certificate, issued to UNITED AIR LINES

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations: dated 12 December 1953 (See T. C. Data Sheet A3WE).

Original Product — Type Certificate Number: A3WE
Make: Boeing
Model: 727-222

Description of Type Design Change: Installation of an Interior Arrangement in accordance with FAA Sealed United Air Lines Drawing List COA-7-2320.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated unless it is determined that the inter-relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the above listed aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: 28 August 1972

Date reissued:

Date of issuance: 1 SEP 1972

Date amended:

By direction of the Administrator
