Supplemental Type Certificate

Number: ST09801AC

This certificate issued to: United Airlines
600 Jefferson St.
Houston, TX 77002

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product – Type Certificate Number: A2NM
Make: The Boeing Company
Model: 757-300 Series

Description of Type Design Change:

757-300 In-Seat Power System (ISPS) Installation in accordance with United Airlines Master Drawing List 4435DA13973, dated February 20, 2015 or later FAA approved revision.

Instructions for Continued Airworthiness, Document Number 4435R01266C Revision A, dated January 13, 2015 or later FAA accepted revision is required for this installation. No AFM Supplement or EWIS Source Document is required for this modification.

Limitations and Conditions:

- 1) The installer must determine whether this design change is compatible with previously approved modifications.
- 2) If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: October 9, 2014

Date Reissued: February 1, 2016

Date of Issuance: February 23, 2015

Date Amended:

By Direction of the Administrator

Signature Patrick Ashton

Title Patrick Ashton, STC Administrator
United Airlines Organization Designation
Authorization

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
