This Certificate issued to LifePort, Inc.
1610 Heritage Street
Woodland, Washington 98674

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.*
*Certification basis is set forth in Type Certificate Data Sheet.

Original Product Type Certificate Number: A24CE
Make: Hawker Beechcraft
Model: 1900D

Description of Type Design Change: Installation of a Patient Loading and Utility System in accordance with FAA approved Master Drawing List for the PLUS Installation in the Hawker Beechcraft 1900D Model Aircraft, MDL-822-00, Revision E, dated July 9, 2007 or later FAA approved revision. FAA approved Airplane Flight Manual Supplement No. EGR-822-11, dated July 31, 2007, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. The installer of this STC must ensure that if the life vests have been removed with the seats that a life vest for the occupant of the litter system is installed and available to the occupant.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
