

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA01435DE

This certificate issued to: Centri-Lube Technologies, LLC
760 Whalers Way, Bldg C, Suite 200
Fort Collins, CO 80525

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

*See applicable Type Certificate Data Sheet (TCDS) for Certification Basis.

Original Product - Type Certificate Number:

Make:

Model:

*See attached FAA Approved Model List (AML), for list of approved airplane models and applicable TCDS.

Description of Type Design Change:

Installation of engines, modified with a Firewall Forward Technologies, LLC modified camshaft, into aircraft listed on the AML per Firewall Forward Technologies, LLC Installation Instructions FFT-INI-001-AFR, Rev. -, dated 02/06/03 or later FAA approved revision. This installation must be done concurrently with STC SE01436DE, which installs the modified camshaft to the engine.

Limitations and Conditions:

Compatibility of this design change with previously approved modifications must be determined by installer. The installation should not be incorporated in any airplane unless it is determined that the interrelationship between this installation and any previously approved configuration applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. See continuation page 3.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 9, 1998

Date reissued: 11/10/2009; 03/16/2010;
May 25, 2011

Date of issuance: February 14, 2003

Date amended:

By direction of the Administrator
