

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST02299NY

This certificate issued to Cascade Aerospace, Inc.
1337 Townline Road
Abbotsford, British Columbia V2T 6E1
Canada

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number : A20WE
Make : Boeing
Model : 747 -400

Description of Type Design Change :

Elementary and Enhanced Surveillance Modification to be done in accordance with Cascade Aerospace Published Master Document List PMDL-3710, Revision 1, dated August 15, 2006, Transport Canada approved August 15, 2006, or later Transport Canada approved revision.

Limitations and Conditions :

1. Maintenance must be in accordance with Cascade Aerospace B747-400 Aircraft Maintenance Manual Supplement MMS 3710, Revision 1, dated August 11, 2006, or later Transport Canada accepted revision.
2. Compatibility of this design change with previously approved modifications must be determined by the installer.
3. If the holder agrees to permit another person to use the certificate to alter the product, the holder shall give the other person written evidence of that permission

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 18, 2006

Date reissued :

Date of issuance : September 26, 2006

Date amended :

By direction of the Administrator
