Supplemental Type Certificate

Project No. ST8874SC-A KC

Number SA10817SC

This Certificate issued to Adaptive Aerospace Corporation
20304 Valley Blvd, Suite H
Tehachapi, CA 93561

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A24CE
Make : Hawker Beechcraft Corporation
Model : B300C, Serial Number FN-1

Description of Type Design Change: Installation of Rockwell Collins Pro-Line 21 STC SA01267WI-D with deviations for an enhanced VHF communications system, mission intercom system, cockpit voice recorder upgrade, flight data recorder provisions, emergency locator transmitter upgrade, and enhanced field performance in accordance with Master Document List MDL-042, Revision C, dated May 6, 2008, or later FAA approved revision. The following Airplane Flight Manual Supplements at the indicated revisions, or later FAA approved revisions, are required:

(See continuation sheet 3 of 3)

Limitations and Conditions: The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(See continuation sheet 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 10, 2007

Date reissued :

Date of issuance : June 11, 2008

Date amended :

By direction of the Administrator
