Number SA2568NM

Date of Issuance: May 23, 1985

Reissuance Date: July 31, 2012

Limitations and Conditions : (Continued):

The approval of this change in type design applies to the specified model that is otherwise unmodified. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.
