aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Installation of Cessna Model 206 Rear Seats in accordance with Kenmore Air Harbor drawing as listed on the AML.

Limitations and Conditions: Approval of this change in type design applies to the aircraft listed on AML SA2273WE only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate, AML SA2273WE, and the applicable Kenmore Air Harbor drawing number as listed on the AML, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
