Supplemental Type Certificate
(Continuation Sheet)

Number SR00813AT

Date of Issuance: July 21, 1995

Date Amended: May 01, 2000

Date of Reissuance: October 10, 2011

Limitations and Conditions (Continued):

Inspection and Maintenance requirements are listed in Aeronautical Accessories, Inc. Report AA-00018, no revision, dated March 6, 2000, or later FAA accepted revisions. FAA approved Rotorcraft Flight Manual Supplement, dated July 21, 1995, or later FAA approved revision, is a required part of this STC for Bell Models 206L/L-1/L-3. FAA approved Rotorcraft Flight Manual Supplement Report AA-99013, no revision, dated May 1, 2000, or later FAA approved revision, is a required part of this STC for Bell Model 206L-4. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.
