Description of Type Design

Change:

Installation of an external step on the left hand side of the fuselage in accordance with Doubletee Master Drawing List, Boeing Model A75N1 (PT17) Entry Step, Document Number TT-09-01002, Revision B dated January 31, 2010.

Limitations and Conditions :

- 1) This modification has not been evaluated to check its proper operations for its intended function.
- 2) The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft.
- 3) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : January 15, 2010

Date reissued :

Date of issuance : July 2, 2010

Date amended :

By direction of the Administrator
