**Supplemental Type Certificate**  
(Continuation Sheet)

SR00470LA

*Limitations and Conditions:* (Continued)

1. This approval requires the inspections and overhaul schedules to be performed as mandated by the Instruction for Continued Airworthiness, ICA350-1, Revision D, dated February 23, 1998, or later FAA approved revision, Instruction for Continued Airworthiness, ICA350-20, Revision B, dated December 3, 2004, or later FAA approved revision, or Instruction for Continued Airworthiness, ICA350-21, Revision A, dated June 12, 2006, or later FAA approved revision. This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
