Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SH8857SW

This certificate issued to

Bell Helicopter Textron, Inc.
441 Industrial Park Road
Piney Flats, TN 37686

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number: H2SW
Make: Bell Helicopter Textron Canada Limited
Model: 206A/B, 206L, L-1, L-3 and L-4

Description of Type Design Change:

Installation of adjustable crew seats in accordance with Premier Aviation, Inc., Drawing 257-13002, Rev. A, dated 2/25/94 and Drawing 257-23000, Rev. A, dated 3-16-94; or Master Drawing List 200-01010, Rev. A, dated 5-23-96; or later FAA approved Revision.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission. This STC is not compatible with STC SH4099SW, Rev. 9.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
