

Supplemental Type Certificate

Number SA2610WE

This Certificate issued to Rockwell Collins, Inc.
1733 Alton Parkway
Irvine, California 92606

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.*

**(Type Certificate Data Sheet 4A26)*

Original Product Type Certificate Number: 4A26

Make: Boeing

Model: 707-300B and -300C

Description of Type Design Change: Installation of Bell & Howell Movie Projection System Nos. 478441 and 478440 in accordance with FAA sealed Bell & Howell Drawing Lists DL 478441 and DL 478440.

Limitations and Conditions: The approval of this change in type design applies basically to 707-300B and -300C only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. This determination should include consideration of significant changes of weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
