

Supplemental Type Certificate

Number ST01412LA

This Certificate issued to Rockwell Collins, Inc.
14101 Myford Road
Tustin, California 92780

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *(Certification basis is set forth in Type Certificate Data Sheet A28NM)*

Original Product Type Certificate Number : A28NM

Make : Airbus

Model : A321-100/200 Series Airplanes

Description of Type Design Change: Installation of Video Entertainment System in accordance with FAA approved Index List Number 062-0146-000, Revision "--", dated September 17, 2002, or later FAA approved revisions.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 22, 2002

Date reissued: May 30, 2006

Date of issuance: December 9, 2002

Date amended.

By direction of the Administrator
