# Supplemental Type Certificate

Number SA00709SE

This certificate, issued to **Air Metal Fabricators**  
**P.O. Box 308**  
**Pateros, WA 98846**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part \* of the \* Regulations.

Original Product—Type Certificate Number: \*See attached FAA Approved Model List (AML)  
Make: No. SA00709SE for list of approved airplane models  
Model: and applicable airworthiness regulations.

Description of the Type Design Change: Installation of replacement control surface skin panels in accordance with Air Metal Fabricators, Inc. Master Drawing List AMF007M, Revision New, dated November 10, 1998, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and FAA Approved Model List (AML) No. SA00709SE must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 10, 1998

Date reissued:

Date of issuance: June 28, 1999

Date amended:

By direction of the Administrator
