# Supplemental Type Certificate

Number: **ST00136MC**

This certificate issued to:  
Learjet Inc.  
One Learjet Way  
Wichita, KS 67209

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product – Type Certificate Number: T00003NY Make: Bombardier Inc.  
Model: BD-700-1A10

Description of Type Design Change:

- 1. Installation of an ADS-B Out Inhibit capability on a Bombardier BD-700-1A10 aircraft in accordance with Master Document List BAS67015011, revision (G), dated April 12, 2016, FAA approved April 21, 2016, or later FAA approved revision.

See continuation sheet 3.

Limitations and Conditions:

- 1. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.
- 2. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

Date of Application: December 8, 2015

Date Reissued:

Date of Issuance: April 22, 2016

Date Amended:

*By Direction of the Administrator*

Signature Original signed by Keith Johnston

Title Keith Johnston ODA administrator

Wichita, Kansas

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
