Supplemental Type Certificate

IMPORT

Number ST03149NY

This certificate issued to Bombardier Inc
200 Cote-Vertu Road West
Dorval, Quebec
Canada, H4S 2A3

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number : T00003NY
Make : Bombardier
Model : BD-700-1A10/ BD-700-1A11

Description of Type Design Change:

Modification of the Electrical Wiring Heater Current/Brake Temperature Monitor Unit (HBMU) to be completed in accordance with ACS-NAI Ltd. Modification Data Summary, document number H119000 Revision A, dated March 9, 2012 or later Transport Canada approved revision.

Limitations and conditions:

1. This modification does not introduce new instructions for continued airworthiness. Existing aircraft completion instructions for continued airworthiness remains valid and applicable.
2. The installer must determine whether this design change is compatible with previously approved modifications.
3. If the holder agrees to permit another person to use the certificate to alter the product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 31, 2012

Date reissued : March 14, 2013

Date of issuance: September 27, 2012

Date amended :

By direction of the Administrator
