Supplemental Type Certificate

Number **ST02228SE**

This certificate, issued to

**Northwest Aerospace Technologies, Inc.
2210 Hewitt Avenue Suite 300
Everett, WA 98201**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A28NM
Make: Airbus
Model: A319 Series, A320 Series, and A321 Series

Description of the Type Design Change: Installation of Bin NuLook on Airbus A319, A320, and A321 series aircraft in accordance with Heath Tecna Inc., Master Drawing List (MDL) HPD-DL-159, Revision AA, dated September 13, 2016, or later Federal Aviation Administration (FAA) approved revision.

Limitations and Conditions: Approval of this change in type design applies to Airbus A319, A320, and A321 series aircraft listed in MDL HPD-DL-159, Revision AA, dated September 13, 2016, or later FAA approved revision only. This approval should not be extended to other aircraft of these model series unless the installer determines that the relationship between this change and any other previously incorporated approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

A copy of this certificate and Heath Tecna, Inc. MDL HPD-DL-159, Revision AA, dated September 13, 2016, or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft.

(See Continuation Sheet Page 3 of 3 Pages)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 26, 2011

Date reissued: May 15, 2015

Date of issuance: May 16, 2012

Date amended: May 16, 2016
September 15, 2016

By direction of the Administrator

ODA Administrator, ODA-636059-NM

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.

Supplemental Type Certificate (Continuation Sheet)

Number **ST02228SE**

Northwest Aerospace Technologies, Inc.

Issued: May 16, 2012
Reissued: May 15, 2015
Amended: May 16, 2016
September 15, 2016

Limitations and Condition continued:

The Instructions for Continued Airworthiness, Heath Tecna Inc. Document HTM1006, Revision F, dated June 14, 2016, or later FAA accepted revision, must be incorporated into the operator's maintenance program.

The supplemental type certificate (STC) installation of H30030-001 Bin Extension requires the concurrent installation of United Airlines STC ST09808AC.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Certification Basis:

The certification basis for this modification is in accordance with Type Certificate Data Sheet A28NM Revision 11, with the following exceptions:

Regulations at a later amendment than specified in A28NM:
