Original Product—Type Certificate Number:

* See Attached Approved Model List SR01508SE

Make:

for a List of Approved Rotorcraft Models and

Model:

Applicable Airworthiness Regulations

Description of the Type Design Change: Fabrication of Dual Tail Boom Strake System in accordance with Manufacturing Drawing List Number BL206TBS040, Revision N, dated April 28, 2006, or later Federal Aviation Administration (FAA)-approved revision; and installation of the Dual Tail Boom Strake System in accordance with Installation Manual Number BL206TBS030, Revision D, dated March 09, 2006, or later FAA-approved revisions for the Bell 206 Series and Installation Manual Number BH206TBS031, Revision B, dated April 28, 2006, or later FAA-approved revisions for the Bell 206L Series.

Limitations and Conditions: Approval of this change in type design applies to the above model rotorcraft only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. Rotorcraft modified by this STC must be operated in accordance with an FAA-approved copy of one of the Rotorcraft Flight Manual Supplements (RFMS) listed on the AML or later FAA-approved revisions. A copy of this Certificate, AML, RFMS, and Drawing List must be maintained as part of the permanent records of the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 27, 2003

Date reissued:

Date of issuance: February 08, 2005

Date amended: June 30, 2006, November 23, 2009
