Supplemental Type Certificate

Number SH2673SO

This certificate issued to Heliplane Aircraft Corporation International
1821 North US Highway 1
Ft. Pierce, Florida 34946

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations. (See T.C. Data Sheet 1H17 for complete certification basis.)

Original Product - - Type Certificate Number : 1H17

Make : Air and Space Manufacturing, Inc.

Model : 18A

Description of Type Design Change: Installation of Fin Tip Plates in accordance with Farrington Aircraft Drawing No. FAC-FIN-1011, Revision "A", dated October 13, 1989, and removal of existing Side Slip Warning System.

Limitations and Conditions: The Rotorcraft Flight Manual Supplement, dated January 31, 1990, is a required part of this STC. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
