Supplemental Type Certificate

Number SA1106NW

This certificate, issued to:

**AIM Aerospace, Inc
705 SW 7th St
Renton, WA 98057**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations. (See Type Certificate Data Sheet A3WE for complete certification basis.)

Original Product—Type Certificate Number: A3WE
Make: Boeing
Model: 727-100

Description of the Type Design Change: Installation of a closet in accordance with Federal Aviation Administration (FAA) sealed Drawing List KME 1278DL, Revision C, or later FAA-approved revisions.

Limitations and Conditions: The approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, have not been evaluated and are not part of this supplemental type certificate. A copy of this certificate shall be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
